**Daily Program:**

Upon arrival at our facility, your child will be given a snack, followed by homework time, as we are a homework-first facility. There will be several teachers available to assist with all the required homework. All homework should be completed, and each student's folder will be checked by a teacher before students are allowed to participate in further programming.

Upon the completion of enrichment exercises, students will be allowed organized free time until pick up. We have a gym and a large outdoor space for various types of activities, in addition to special centers.

**Staffing:**

Blooming Einsteins is not equipped to provide 1:1 direct care to those who may require special behavioral services. We do our best to always maintain a child-to-staff ratio of 15 to 1. All children who attend Blooming Einsteins must be able to use the toilet without assistance.

**Behavior:**

Students will be required to abide by the Blooming Einsteins policies and procedures to ensure that each participant remains safe. In most cases when discipline is needed, we believe in redirection or diversion. If the previous measures become ineffective, we will notify parents. If poor behavior continues, a conference with parents will be held to discuss the behavior and positive methods to promote more appropriate behavior at our center. If behavior does not improve, the student will receive a one-day suspension from the program. As a last resort for behavior that does not show any signs of improvement, the student will be removed from the program. We can assure you that the safety of all our student's physical, emotional, and social needs is our priority. Any property that is damaged or destroyed by a student will be the financial responsibility of the person(s) noted for tuition payment.

**Health Precautions:**

If a child becomes sick while at school parents/guardians/ emergency contacts will be called to pick them up. Children must be free from any communicable disease, or fever for 2 hours before returning to the center.

Children must be kept at home if any of the following symptoms appear: temperature at 100 F or above, diarrhea, vomiting, rash, colored nasal discharge, discharging eyes or ears, or conjunctivitis. Parents should exercise every precaution and keep the child at home. Please, no exceptions.

**Closures:**

In the event of unexpected delays school closures due to inclement weather or other unforeseen events, Blooming Einsteins will follow Fort Mill School's policy.

**Early Withdrawal:**

A two-week notice of withdrawal via email is required for all children. Failure to provide a withdrawal notice will result in up to two weeks worth of tuition being charged to your account. Blooming Einsteins reserves the right to discharge any child family for failure to pay tuition or for unmanageable or disruptive behavior that brings harm or continued disruption to the staff and or other children.
